1. [redacted] Comment. Supply traffic in the RED Berlin remained almost unchanged in June. Fuerstenseide and Jüterbog railroad stations were reported on separately. [redacted] The following persons of those mentioned are known:
Kolesnikov (fnu) as chief of GSFG clothing depot [redacted] in Bernau;
Kellian (fnu), Lieutenant Colonel, chief of GSFG ration supply depot [redacted] in Frankfurt/Oder;
Lebedev (fnu), receiver of articles of clothing in Chemnitz-Hilbersdorf;
Kova [lenko] (fnu), receiver of foodstuff in Koenigsborn.
The other names were reported for the first time. [redacted] the shipments of articles of clothing dispatched from Bernau between 1 and 30 June were consigned to names other than in the present report, some of which have been long known. It is possible that a personnel change has taken place in the five army depots.
2. [redacted] Comment. The increased supply of articles of clothing from Bernau to the army clothing depots is connected with the issue of new uniform blouses to Soviet troops.
3. [redacted] Comment. Supply traffic of the Twenty-Fourth Army from Dallgow.
